**Subject:** short chat today?

Jennifer:

I am attaching the presentation that Tom Starr gave (as downloaded from the ARA website). I seem to recall he had another slide between his slides #14 and #15 of the attached which said something along the lines of "EPA did this . . .", or I may be just recollecting his words. What do you recall?

**Ex. 5 Deliberative Process (DP)**

## **Ex. 5 Deliberative Process (DP)**

Can I call you this afternoon?

Ravi.
